

November 7, 2019

Dear

It is our great pleasure to invite you to attend the 6th Current Drug Development (CDD) International Conference 2020 in Phuket, Thailand from May 28-30, 2020.

The 6th CDD International Conference 2020 has been organized by colleagues from:

- Phytomedicine and Pharmaceutical Biotechnology Excellence Center (PPBEC)
- Drug Delivery System Excellence Center (DDS)
- Faculty of Pharmaceutical Sciences, Prince of Songkla University
- Drug and Cosmetic Research and Development Unit, School of Pharmacy, Walailak University
- College of Pharmacy, Rangsit University
- School of Pharmaceutical Sciences, University of Phayao
- Universitas Ahmad Dahlan
- Bangkoklab and Cosmetic Co.,Ltd.
- Ouay Un Osoth Co.,Ltd

The scientific theme of the 6th CDD International Conference 2020 is "Natural Medicines". The conference will feature keynote and invited speakers in addition to oral and poster presentation and social activities.

Our main goal is to gather together scientists and graduate students from universities, research centers, and industries from all over the world and provide them with a major opportunity to explore and exchange their ideas and expertise to effectively develop wisdom for world alternative medicines. We expect that this conference will provide many incentives to explore joint initiatives to build new friendships and research collaborations. We also hope that the conference environment will inspire and motivate our young research workers to further their interest in obtaining excellent outcomes from their own research activities.

The Organizing Committee is delighted to invite you to participate in the 6th CDD International Conference 2020 in Phuket, the most beautiful island in Thailand. Any contribution you make will be widely recognized throughout the world.

On behalf of the Organizing Committee, I appreciate your interest and hope to welcome you to the 6th CDD International Conference 2020.

Assoc. Prof. Dr. Pharkphoom Panichayupakaranant

Chair, Organizing Committee
